3 Bedrooms | 2 Bathrooms | 1,602 Sqft

Enjoy breathtaking views of the Colorado National Monument from the front porch of this beautifully remodeled ranch-style home, tucked away on a quiet cul-de-sac in the Redlands. Sitting on a spacious and maturely landscaped .43-acre lot, this property offers RV parking, privacy, and room to roam. This 3-bedroom, 2-bathroom home is a perfect balance of modern comfort and rustic charm. The redesigned floor plan enhances the flow of the living spaces, complemented by new flooring. The kitchen and bathrooms have been fully updated with stylish modern finishes, while fresh paint, updated lighting, and new windows fill the home with natural light. Step outside to a welcoming backyard oasis featuring a fire pit with Monument views—perfect for entertaining or unwinding. The home also features a bonus room ideal for hobbies, a home office, or a play area. Upgrades include: Newer roof and evaporative cooler (2019), new furnace (2021), new water heater (2024), new gutters, downspouts, and leaf guard system (2022), & new garage doors and swamp cooler. This home offers added privacy with no rear neighbors. Whether you're relaxing on the porch or enjoying the beautifully updated interior, this Redlands gem is ready for you to make it your own.
