2 Bedrooms | 2 Bathrooms | 1,912 Sqft

Just a short stroll from the local park and pool—and within easy walking distance to downtown Palisade—this delightful corner-lot home blends comfort, convenience, and character. The lush, low-maintenance yard is kept vibrant with an automated sprinkler system and includes two spacious outdoor storage buildings for all your gear and gardening needs. Step inside to discover a thoughtfully laid-out main floor featuring two roomy living areas, two bedrooms, and two bathrooms—all designed for effortless single-level living. Beneath the living room carpet, you'll find original hardwood floors waiting to shine. The kitchen flows seamlessly onto a redwood deck, ideal for morning coffee, evening gatherings, or simply soaking up the Colorado sunshine. A vintage 50's home. Impeccably clean. Downstairs, a flexible bonus space offers endless possibilities—whether you're dreaming of a home office, personal gym, creative studio, or extra storage.
