Get ready to fall in love with something truly special in the North Area of Grand Junction! This 1.22-acre property isn't just a home - it's your next chapter waiting to be written. From the moment you arrive, you'll feel the space, freedom, and possibility that this property offers. Step into your private backyard oasis, where established orchards, raised garden beds, and a charming chicken coop invite you to embrace your low-key farming dreams. And then there's the showstopper: a serene pond complete with a dock, towering shade trees, and a little island that adds a touch of magic to the view - perfect for lazy afternoons or dreamy evening sunsets. Inside, sunlight pours through large windows, illuminating the bright, airy living spaces with vaulted ceilings and gorgeous LVP flooring. The open-concept design flows effortlessly from living to dining to kitchen, ideal for entertaining. The kitchen is a true showstopper, boasting granite tile countertops, stainless steel appliances, stylish fixtures, ample cabinetry, and a handy pantry. The primary suite is a serene retreat, complete with direct access to the back patio. A full en-suite bath and walk-in closet provide both comfort and convenience. An additional main-floor bedroom and full bath add flexibility for guests or family. Downstairs, the fun continues with a fantastic entertainment and rec space. Sleek
