4 Bedrooms | 2 Bathrooms | 1,993 Sqft

Beautiful new King's Contracting LLC home! This home is scheduled for completion in late September 2025. The residence features contemporary stucco and stone construction, a split layout with 4 bedrooms, 2 bathrooms, a 3-car garage, and space for large RV parking behind double RV gates. The open kitchen, dining, and living area has high ceilings to enhance the sense of space. Front zero-scape landscaping similar to others in the neighborhood and rear privacy fence included, leaving the back yard as a blank canvas for your creativity without being rushed. Pressurized irrigation water is supplied by the HOA, eliminating the need for a pump and related maintenance.
