Do you need room to spread out? A workshop? Den? Family Room? Outside covered patio with powered shades to block late afternoon sun? TWO storage sheds for lawn equipment? This 1958 brick ranch style home features 3 bedrooms, sits on a double lot and has space for everyone. This workshop features room for your hobby tools and 220 electric. The family room and living room both have built in fireplaces. The kitchen has upgraded cabinets that offer lots of storage. Let's not forget the Rinnai water heater, the water softener or the solar panels to offset your electric usage. Easy access to Westlake Park.
