2 Bedrooms | 2 Bathrooms | 1,506 Sqft

Another great Conquest built home. This 2 bedroom plus office, 2-bathroom home sits at the end of a private Cal de sac in Red Rocks Valley near the base of the Colorado National Monument. Home was designed to maximize space and views! Beautiful wood beams greet you in the entry with a guest bedroom, full bathroom and an office at the front of the home. Wood beams continue into the great room with open concept kitchen and dining area that opens onto covered patio. At the back of the home, you will find a large master suite complete with walk in closet plus an extra linen closet. Property is fully fenced and landscaped with astroturf and drought tolerant plants. Home features fire suppression system. Walking paths throughout the neighborhood. Located in the Redlands this property is in the center of hiking, biking and golf with unbelievable views!
