\$888,000

5 Bedrooms | 3 Bathrooms | 3,739 Sqft

NEW ROOF - A Santa Fe-style Western home is an amazing oasis for large families or anyone looking for a space to host a lot of people. 5 bedrooms, 3 baths, with a walk-out basement that has a soundproof theater. Knotty Alder wood finished with rock around the island in the kitchen and a detailed backsplash that encases geodes. The entire house is Terra Cotta tile/carpet with heated floors. Situated at the end of the street, which gives side street space for easy access to the basement and backyard area. The back of the house is fenced with open space on the other side. Solar panels \$354 monthly. Please come check it out so you can feel the experience it brings.
