5 Bedrooms | 4 Bathrooms | 5,906 Sqft

Discover a rare piece of Western Colorado! Imagine living in your very own sanctuary, 651 Peony is truly a gem...close to everything convenient yet with nearly 11 acres, you feel like you are away from it all. Vistas from the floor to ceiling windows will draw you in from the minute you enter the property. Sedona architect Trent Wilson strategically placed this home to maximize views in all directions! From the Monument to the Bookcliffs, it also allows for passive solar for maximum efficiency. Included on this spectacular property is a creek, a pond, generous acreage that can be Ag for horses or cattle. This home is a short walk or bike ride to Two Rivers Winery and multiple trails. Entertain on the extensive deck, and walkout basement with tons of room! Enjoy all the wildlife including 4 deer that greet you everyday you call 651 Peony "home".
