Come see this beautifully updated home on a spacious lot in one of Grand Junction's most sought-after neighborhoods. Tucked away on a quiet cul-de-sac, this property offers the perfect combination of privacy, space, and modern updates. The east-facing backyard is great for summertime events. And the south-facing driveway is great in the winter. Inside, you'll find a renovated interior featuring an updated kitchen and fully remodeled bathrooms throughout, plus Central Air! The expanded primary suite creates a true retreat, offering generous space and comfort that's hard to find in this area. Step outside to enjoy a huge lot shaded by mature trees, providing both beauty and privacy. There's ample room to garden, entertain, or simply relax, along with dedicated space for RV parking, a rare and valuable feature. For those needing storage or workspace, the property offers ample garage space, perfect for vehicles, hobbies, or additional storage. With its prime location, thoughtful upgrades, and hard-to-find outdoor space, this home delivers both lifestyle and value in a highly desirable setting. New roof just put on.
