Back on market - no fault of the property. Prior sale contingency did not materialize. Close to downtown Cedaredge (Gateway to Grand Mesa) this rancher is well maintained on a 1/2 Acre landscaped wooded lot. Classic 1977 interior with newer windows and a gas log fireplace, open living space to kitchen and outdoor covered and open patios. Wonderful oasis backyard with trees, paths, and several sheds - even a shed with electricity and an A/C unit (8x10). Storage a plenty!
