4 Bedrooms | 2 Bathrooms | 2,035 Sqft

Brand new construction with the quality details that set this home apart from the rest. Built with 2x6 framing and finished with high-end touches throughout, this 4-bedroom, 3-bathroom stunner is ready to impress from the moment you walk through the door. The open, split-bedroom floor plan is designed for both everyday living and effortless entertaining. Light pours in throughout, and the living room and primary suite are outfitted with LED lighting on a soft, low setting, creating an ambiance that feels more boutique hotel. Granite countertops, stainless steel appliances, and luxury vinyl plank flooring carry that elevated feel through every room. The primary suite is a true retreat, tucked away for privacy, featuring a spacious walk-in closet and a spa-inspired bathroom with dual showerheads. The additional bedrooms are well-positioned on the opposite side of the home, ideal for guests, children, or a home office setup. Outside, the oversized 3-car garage includes 16-foot RV access and a 30-amp RV hook-up, plus a passive radon mitigation system is already in place for added peace of mind. Relax on the covered back patio and enjoy the included front-yard landscaping and vinyl fencing, both completed by the builder. A 1-year builder's warranty is included.
