Welcome to your brand-new King's Contracting home! This move-in-ready property features fully completed landscaping, including a backyard fire pit perfect for stargazing. Inside, the home opens to a vaulted great room with beautiful views of the backyard. The gourmet kitchen boasts a large four-seat island, a walk-in pantry, slate cabinetry, and white-veined quartz countertops. Elegant black hardware and a matching lighting package run throughout the home. While configured with four bedrooms, the private fourth bedroom serves as a perfect home office, study, or craft room. The secluded master suite offers a peaceful retreat, complete with a beautifully appointed bathroom and dual walk-in closets.
