4 Bedrooms | 2 Bathrooms | 2,254 Sqft

Enjoy country living with room to roam in this like new, single-level stucco home situated on 4.8 acres. This spacious 4-bedroom home features a thoughtful split-bedroom floor plan, offering privacy and flexibility for family and guests. Enjoy peaceful mornings and shaded afternoons on the back covered patio with abundant views. Inside, the large, open kitchen features newer appliances, solid-surface countertops and beautiful cabinetry with pull out drawers. The inviting living room serves as a natural gathering place, creating the perfect setting for entertaining and conversation. The primary suite boasts a walk-in closet and a french door that opens onto the patio. The newly remodeled shower will make you feel like you are at the spa. Every bedroom closet is enhanced with built-in organizational shelving, maximizing storage and functionality throughout the home. The main bathroom features 2 vanities providing ample room for busy mornings. Recent updates include a new roof, heating and cooling, hot water heater, new garage doors, and fresh exterior paint. The property also includes a 20x40 detached garage wired for 220 and plumbing is already in place, offering endless possibilities for a workshop, hobby space, home business, or future expansion. Set on 4.8 acres, there's ample room for animals, gardening, recreational vehicles, or simply
