4 Bedrooms | 3 Bathrooms | 2,044 Sqft

If you're looking for a spacious home with room to make it your own, this 4-bedroom, 3-bathroom home has 2,044 square feet with plenty of potential to add your own style and personal touches. The large open-concept living and dining area features high ceilings, creating an airy and welcoming feel. An additional family room, complete with a rock fireplace, provides a cozy space to gather and relax. Off the family room, you'll find a large sunroom perfect for plants and flowers, a quiet reading nook, a hobby room, or more. This space allows you to bring your ideas to life. Outside, you'll find plenty of room to enjoy with no HOA, giving you the freedom to make the property your own. Enjoy a large grassy backyard featuring a shed and three large raised garden planters, perfect for growing vegetables, herbs, etc. An additional shed at the front of the home provides even more storage along with an attached 2-car garage. This home is ready for its next owners to bring their vision to life!
