\$800,000

4 Bedrooms | 3 Bathrooms | 3,541 Sqft

Want to live in a forest - in Grand Jct? This lovely all brick home has so many trees and landscaping that you will swear you are in a forest! Just over a half acre with privacy fenced backyard. Wrap around brick back patio with 3' metal fencing to keep the doggies or kids close. Built for activities with a Living, Family, Billiards/Games, Exercise and Sun rooms! OR use them at your choice - homeschooling, art studio, home theater, office, etc! Plus a 20x15 unfinished basement (food?) storage. This well cared for home is well priced for the sq. footage & has some nice upgrades like solid granite kitchen counters and 10 skylights! New LVP in most of the main level/some is 1 yr old. Home has original kitchen, baths, paint and woodwork. Very nice as-is, but bring your design choices and make it your own. Check out the 3D video tour. Floorplan in Documents.
