4 Bedrooms | 3 Bathrooms | 2,200 Sqft

Welcome to your dream home in the highly sought-after Redlands! Imagine waking up every day to breathtaking views of the Colorado National Monument and ending your evenings watching the city lights sparkle from your own front yard. This beautifully remodeled 4-bedroom, 3-bath, Oversized 2 car garage with durable epoxy flooring and a black top circular driveway provides convenient access and ample parking. This home sits on half an acre and has been thoughtfully updated inside and out, offering the perfect blend of modern comfort and timeless charm. The heart of the home features a spacious kitchen with granite countertops providing abundant cabinet space and plenty of room for cooking and entertaining. Step outside onto the newer covered deck where you can relax with your morning coffee, host family and friends, or unwind in the hot tub while taking in the spectacular views. This property also offers exceptional space including an RV awning and an additional covered awning perfect for ATV's, vehicles, or extra storage. Beautifully remodeled exterior stucco, a newer 10x20 storage shed and mature landscaping including, cherry and plum fruit trees, with NO HOA. Homes with views like this and updates throughout don't come along often. If you've been looking for a move-in-ready home in one of the Redlands most desirable
