\$535,050

2 Bedrooms | 2 Bathrooms | 1,912 Sqft

Just a short walk to the park, pool, and downtown Palisade, this charming corner-lot home offers comfort and convenience. Low-maintenance yard with sprinkler system and two storage buildings. Main level features two living areas, two bedrooms, and two baths for easy single-level living, with hardwood floors under the living room carpet. Kitchen opens to a redwood deck-perfect for relaxing or entertaining. Impeccably clean 1950s vintage home with a recently remodeled basement flex space ideal for an office, gym, or storage.
