\$288,000

2 Bedrooms | 2 Bathrooms | 1,161 Sqft

MOTIVATED SELLERS! Priced to sell and a rare find in this market. HOA Paid through the rest of 2026!!! This townhome rests on a single level, is nestled away in the heart of Grand Junction minutes from CMU, the national monument, Mesa Mall and all that the Valley has to offer. The home offers a well-maintained interior that is move in ready. A large primary suite beckons for rest and relaxation. The laundry room offers a side entrance that also serves as a mudroom for cleanliness and convenience. This home would be great for any buyer- homeowner, investor, second home option. The possibilities are endless!
