3 Bedrooms | 2 Bathrooms | 2,014 Sqft

Enjoy Redlands living with great views of the Colorado National Monument in this updated 3-bedroom, 2-bathroom home located off South Camp Road. With 2,014 sq. ft. on .28 acres, this home offers a spacious layout, 2-car garage, and RV parking. The home has seen extensive updates, including new luxury vinyl plank flooring throughout, fresh interior paint, updated light fixtures and can lighting, and all-new stainless steel appliances. Large windows throughout the home bring in plenty of natural light while showcasing the Monument views. The kitchen features barstool seating and opens to the living room, which includes a gas fireplace. A formal dining room provides additional space for entertaining. The spacious primary bedroom features a huge walk-in closet and a completely remodeled primary bathroom with a custom barn door. Outside, a new lower deck was added off the back porch, providing a great spot for a hot tub or outdoor seating. The hot tub is negotiable with an acceptable offer. With its Monument views, extensive updates, RV parking, and desirable Redlands location, this home offers a great combination of space, comfort, and functionality.
