\$499,000

4 Bedrooms | 3 Bathrooms | 2,462 Sqft

TWO Primary SUITES make this 4-bedroom, 3-bath home an excellent choice for multigenerational living, extended family, guests, or anyone looking for extra privacy. With 2,462 square feet, the flexible floor plan offers multiple living areas, spacious bedrooms, and room for everyone to spread out. Situated on a 0.29-acre lot, there's plenty of space for entertaining, gardening, or simply enjoying the outdoors. Located in North Grand Junction, you'll appreciate the convenient access to St. Mary's Hospital, Grand Junction Regional Airport, I-70, shopping, dining, and everyday amenities. NO HOA first photo is a virtual twilight photo
