4 Bedrooms | 3 Bathrooms | 2,032 Sqft

Vaulted ceilings, 3-car garage, covered back patio, split bedroom design. If you've been waiting for a home that checks the boxes, 645 Zoe Lane deserves your attention! This thoughtfully designed 4 bed, 2 ½ bath home combines an open, inviting feel with functionality. The kitchen, dining, and living spaces flow together effortlessly, creating an ideal setup for both everyday living and entertaining. The vaulted ceiling creates a spacious, airy atmosphere in the main living area, while the split floor plan offers privacy with the primary suite separated from the additional bedrooms. A dedicated mudroom adds everyday convenience and provides the perfect drop zone for shoes, coats, bags, and gear. Outside, the covered backyard patio extends your living space and offers a comfortable spot for relaxing, dining, or entertaining. Need garage space? The 3-car garage provides room for vehicles, storage, tools, toys, and all the extras that come with Colorado living. This home is ready to impress from the moment you walk through the door. Easy access to Patterson Road and close to New GJ Recreation Center, Parks, Schools and More. Home Warranty Included!!
