Distinctive design meets the beauty of Western Colorado in this exceptional custom home in Redlands 360. Thoughtfully designed to capture its surroundings, this home makes an immediate statement with soaring ceilings, dramatic architectural lines and walls of windows that flood the interior with natural light while framing the remarkable landscape beyond. The open-concept living spaces balance warmth with contemporary sophistication. Natural wood tones, designer lighting, custom cabinetry and carefully selected finishes create a cohesive aesthetic throughout. The kitchen serves as a striking centerpiece with abundant cabinetry, generous workspace and an effortless connection to the dining and living areas; ideal for both everyday living and entertaining. The primary suite is a true retreat, featuring a vaulted ceiling and expansive windows that make the views part of the room. The spa-inspired bath elevates the experience with an extended dual vanity, warm wood cabinetry, statement lighting and a beautifully tiled walk-in shower with built-in bench. Additional bedrooms and baths continue the home's custom character with unexpected details, distinctive tilework and thoughtfully designed spaces. Functionality is equally impressive with a spacious laundry room, extensive built-in storage, an organized drop zone and an oversized
